PRINCE BRIDESMAIDS - BEST FRIENDS FOREVER. PRINCESSES FOREVER.

If there's a princess in every woman, then the bridesmaids are the princesses behind the princess. This series is an ode to enduring female friendships who are all princesses in their own right.

They've been by her side forever, through thick and thin, through the good and bad. And when the bride takes the spotlight on the most important day of her life, she doesn't want to do it alone - she wants to do it with her BFFs. They've never left her side before, they're not going to now, and they never will.

It's a forever bond forged with cheek to cheek selfies, sleepovers, last minute combined studying, boyfriend crib sessions, heartfelt hugs, holding hands and crying happy tears. An unbreakable bond filled with moments and memories.
